**BUT WAIT!**

*ARIIX wants to return **EVERY** dollar  
you spend in **Loyalty Rewards!***

Expedia & Priceline own  
all these travel sites

Hotel's Retail Price \$600—  
they want to protect their brand so  
they add it to the **Wholesale  
Back-end System** for \$120.  
Then Priceline & Expedia access the  
system and sell it for, say,  
\$300—\$365, and profit on the  
difference.

**Dr. Fred Cooper** came up with an idea to make a deal  
with the **Wholesale System** so we pay an annual fee  
of \$128.88 to get access to the same **wholesale  
travel prices.**
